Investigations and Operational Support

FY 1972 Developments and Accomplishments

Investigations

(a) Investigative Activity

A total of 33,906 investigative cases involving staff applicant and other individuals of overt and covert interest to the Agency were received. Of these, 13,576 cases involved field investigation resulting in 21,456 field investigative assignments.

(b) Assumption of Controls of NAC's

The Investigations Division assumed control of all National Agency Name Checks [redacted] without any increase in personnel in the Investigations Division. This action resulted in an increased efficiency in the handling of name checks and more efficient use of clerical personnel [redacted]

25X1

(c) Curtailement of Credit Checks

The enactment of PL 91-508 seriously restricted the availability of credit checks in covert cases and also resulted in a paucity of information being furnished by Credit Bureaus in other cases. A decision was therefore made to curtail the scheduling of credit checks and to obtain this type of information through interviews with references, neighbors, etc. This decision resulted in a substantial monetary savings without detracting from the investigative product.

(d) Elimination of HCIS (formerly HCUA) Checks

HCIS (formerly HCUA) Checks were eliminated as one of the required National Agency Name Checks after a survey revealed that checks made at this source were generally unproductive. This action resulted in increased efficiency by allowing [] the Liaison Agent handling the HCIS Check to more productive work.

(e) Preparation for Implementation of CAPER System

Investigations Division personnel have attended numerous meetings with OCS and SIPS personnel and have made several recommendations pertaining to the format of the CAPER system which will become effective sometime in FY 1973.

(f) Completion of a Confidential Correspondent Administrative Procedures Handbook

The Office of the DD/IOS completed a Handbook to serve as a detailed guide in the recruitment of Confidential Correspondents and in the overall administration of the Confidential Correspondent Program.

Operational Support

(a) Support Activity

A total of 145,789 manhours of support were expended. This total includes 25,926 manhours for the []

[]

(1) Surveillance Capability

With the active cooperation of the Office of Communications and the Office of Logistics, the [] [] was equipped with a viable radio communication facility which is being utilized in conjunction with both training and operational surveillance requirements.
